# IPGA's Best Start 2023

**Sh. P. K. Jaggi, Former Editor, IPGA Today**

**It is heartening to know that Central Executive Council of Indian Pharmacy Graduates' Association has decided to revive with the quarterly publication of "IPGA TODAY" after my resignation as the editor-in-chief was formally accepted during the last CEC meeting.**

**I am very sure that the young and new team under the dynamic leadership of Prof (Dr) Jeyabalan Govindasamy, who will be the next editor-in-chief will do its utmost to see the timely publication of future editions of "IPGA TODAY."**

**I am confident that under his guidance "IPGA TODAY" will be more useful to the Pharmacists belonging and working in different streams and will reach even greater heights. I would personally like to congratulate Dr Jeyabalan and his team for taking up the mantle and wish them all the success in their future endeavours.**

# From Editor's Desk

**Dr. G. Jeyabalan, Ph.D.,**

It gives me immense pleasure to release the first newsletter of 2023 after assuming the office of Joint Secretary [North] IPGA. IPGA Today is an official newsletter of IPGA. Sh. Pawan Jaggi and Dr. Arti Thakkar along with entire editorial team were presenting the newsletter earlier. This time after the new CEC in IPGA, the new Editorial Board with an advisory board of eminent, exemplary leaders of our

Pharmacy Profession, we are very fortunate to release this newsletter Issue-01 of 2023. New pattern, new style, new team with new contents, we strive hard to present the newsletter in specified time.

Thanks to all new CEC colleagues under the able leadership of Dr. Atul Kumar Nasa, President for choosing the new editorial team for this newsletter. We will plan to have new and useful information to all our life members of the association, with the advise of Dr. Vijay Bhalla, Editor-in-Chief of IPGA Today.

Thanks to all editorial board and advisory board members, for encouraging us to work better in all the components of this newsletter. Also we will soon start our scientific journal and a printed version of IPGA Today as decided in the last CEC meeting.

I request all the chairpersons of different divisions of the association, state/ local chapter office bearers, co-opting members of all zones, zonal Vice Presidents and Joint Secretaries, and the CEC members to contribute your articles and manuscripts, professional news of all activities conducted in your leadership, be shared and published in our news letter for more transparency in the activities of the association.

Thanks for all contributors of this issue.

With sincere thanks and warm regards,

# From President's Desk

**Dr. Atul Kumar Nasa, President, IPGA.**

**Indian Pharmacy Graduates' Association and IPGA Welfare Trust are overwhelmed with the support and involvement of all life members during the Election for CEC Members for 2022-2025. A new team is elected through fair and transparent election procedure, and as the President of IPGA, I am very much grateful to all the life members of the association, past CEC members, trustees and officials of the association for the great success achieved by the new team.**

**On the headway, a new editorial and advisory committee is framed for the IPGA Today, the official newsletter of our association. I am happy to interact to each and every member through this newsletter.**

**Also, we strive hard to make a printed version of this newsletter in a short span of time and a scientific periodical from the house of IPGA. The new office bearers and co-opting members of the association are hereby instructed to work for more life members. Institutional members and Student members.**

**Meet you all with more updates in the next issue,**

**Till then its bye from,**

**Dr. Atul Nasa, President, IPGA Central,  
Managing Trustee IPGA Welfare Trust.**

# From General Secretary's Desk

**Dr. Arun Garg, General Secretary, IPGA.**

**IPGA is strengthened by its 7000+ members across the country and still mounting with young new members and serving to uplift the Indian Pharmacy Graduates and their quality skillsets. We continuously conduct online seminars with experts who can impart the updates to practicing and industrial pharmacists. Very frequently IPGA sponsors seminars, conferences and workshops organized by the state branches, local chapters, and leading Institutions. IPGA Today is also a part of the knowledge imparting step of IPGA and presently being published online as electronic copy. Sooner, the printed version of IPGA Today and a scientific periodical in both online and printed versions are in pipeline.**

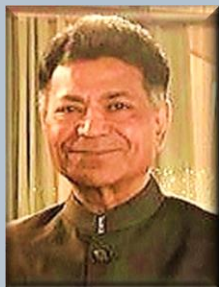

**I personally thank the past Editor-in-Chief, Sh. Pawan Jaggi sir for his impeccable contribution in making the previous editions of IPGA Today and now, I wish the new editorial team, all the very best.**

**Will discuss rest in next dear friends,**

**Dr. Arun Garg, General Secretary, IPGA Central,  
Hon'ble Vice Chancellor, MVN University, Palwal.**

# IPGA Election 2022 Report

Sh. Bhanu Dua, Returning Officer

There were 35 candidates in the final scrutinized list. Fair and transparent elections were held to elect the new team. The voting count was 5 to 6 times more than the last elections in 2019. The percentage of voting done was 46%.

M/S KGLN consulting company from Bangalore were appointed to conduct the E-Elections.

E- Elections of IPGA for 2022-25 was announced and schedule given was

Call for registrations and updating before	25th September 2022
Filling of nominations	26th Sept to 2nd Oct 2022
Withdrawal	up to 4th Oct 2022
Scrutinizing of nominations	5th Oct 2022
Final list of contestants	6th Oct 2022
Canvassing to the Voters	7th to 13th Oct 2022
Online Elections	14,15 &16 Oct 2022
Announcement of Results	16th Oct 2022 at 8 PM

The following were elected to the new team for 2022-25 term

**PRESIDENT: DR. ATUL KUMAR NASA**

**GEN. SECRETARY: DR. ARUN GARG; TREASURER: DR. VIJAY BHALLA**

ZONE	VICE PRESIDENT	JOINT SECTERARY
NORTH	DR. AJAY SACHAN	DR. JEYABALAN GOVINDASAMY

CENTRAL	DR.R. DEEPENDRA SINGH	SH. SUDHIR SINGH SHASTRADHAR
EAST	DR. TAPAN KUMAR CHAUDARI	DR. SUDARSAN BISWAL
WEST	DR. NITIN DEORE	DR. R. P. CHAUDHARI

# IPGA Association News

Kerala Pharmaceutical Congress was conducted on 25-26 Feb 2023. IPGA Kerala also actively participated for the success of the congress.

Dr. Montu Kumar Patel, President PCI was the chief guest and Dr. Atul Kumar Nasa was the Guest of Honour. About 1000 delegates had attended the congress.

NIMS Institute of Pharmacy, NIMS University Rajasthan, Jaipur hosted an International conference on "Fostering high quality clinical research for a healthier world" on November 26th, 2022 with benign presence of Dr. Montu Kumar Patel, President of Pharmacy Council of India; Dr. V. Kalaiselvan, Senior Principal Scientific Officer, IPC Ghaziabad; Dr. Y. K. Gupta, President, AIIMS, Sh. Ajay Phatak, Drug Controller Rajasthan; Shri Naveen Sanghi, Registrar, Rajasthan Pharmacy Council, Prof. (Dr.) Atul Nasa, President of IPGA, and Dr. Rajesh Yadav, Deputy Registrar, RUHS.

NIMS Institute of Pharmacy, NIMS University Rajasthan, Jaipur organized a IPGA sponsored Two-day National Workshop on "I am Pharmacist- Do I know my Industry" on 27/02/2023 and 28/02/2023, under the National Skill Development Mission. The workshop was conducted by Dr. Manas Ranjan Rout, Founder and CEO of Cognitrex Academy and more than 400 students participated in it. Workshop was inaugurated by Prof. (Dr.) Arun Garg Director, Prof. (Dr.) Ravindra Pal Singh Principal and Dr. Manas Ranjan Raut by lamp lighting.

Dr. Manas Ranjan Raut explained about the future prospects of Life Sciences in India and gave detailed information about the required skill sets that can make a career there. On the second day of the workshop, Prof. (Dr.) G. Jeyabalan, Principal, Alwar Pharmacy College explained in detail about the skills required for jobs in the field of pharmaceuticals in the current scenario. Afterwards Dr. Manas Ranjan Raut gave training to the students to make resumes and got them made. Also, he taught the students about the basics of making PowerPoint Presentations.

# 34<sup>TH</sup> ANNUAL CONFERENCE @ MUMBAI

# 3rd National Conference on Pharmacy Practice- “Telemedicine: opportunities and Challenges”- Role of Pharmacist” at SGT University

## Special Report

On Saturday March 18th 2023, SGT College of Pharmacy, SGT University, organized 3rd National Conference on Pharmacy Practice on the theme “Telemedicine: opportunities and Challenges”- Role of Pharmacist” for the B. Pharm., M. Pharm., Pharm D., Diploma in Pharmacy and Ph.D. Students including professionals from Industry, Research and Academics from all over the country.

The conference was sponsored by Science and Engineering Research Board (SERB)-Department of Science and Technology (DST, Government of India) in association with Indian Pharmacy Graduates’ Association (IPGA).

SGT College of Pharmacy, SGT University, Gurgaon and Haryana is duly approved by State Government, University Grant Commission (UGC), New Delhi - MHRD and Pharmacy Council of India (PCI) - MHFW, Ministry of health & Family Welfare.

SGT college of Pharmacy was started in 2015 to offer B. Pharmacy, B. Pharmacy (Practice) and D. Pharmacy programs. Lately Pharm D (Doctor of Pharmacy) & M. Pharm Program in Quality Assurance, Pharmacology, Pharmacy Practice, Pharmaceuticals, Pharmacognosy and Pharmaceutical Chemistry have been started to train students in specialized area of research.

The concept behind organizing the “3rd National Conference on Pharmacy Practice” was to bring together the professionals from Hospital Pharmacy, Community Pharmacy, Clinical Pharmacy, Industry, Research, Academics, Regulatory and other sectors of Pharmacy profession on a common platform to accomplish the following aims and objectives:

- To understand the current status of Pharmacy Practice in India.
- To enhance the clinical knowledge of Pharmacist.
- To promote Telemedicine.
- To emphasize importance of Telemedicine.
- To understand opportunities and challenges of Telemedicine.

Chief Guest of the event Dr Montu M Patel and other dignitaries were felicitated by Hon’ble Chairman Shri Man Mohan Chawla and Pro Chancellor Prof. (Dr.) R.K. Sharma. Prof. (Dr.) Vijay Bhalla, Dean, SGT College of Pharmacy in his welcome address thanked all the dignitaries for sparing their valuable time to make this event a grand success.

SGT University officials, Pro-Chancellor Prof. Rakesh Kumar Sharma, Vice Chancellor (Officiating) Prof. (Dr.) Vikas Dhawan and Pro Vice-Chancellor Prof Atul Nasa were also present during the conference to welcome the dignitaries and students and addressed the gathering. The event was started by auspicious lamp lighting to mark the commencement of conference.

Dr. Montu M Patel noted in his Keynote that Telemedicine holds great potential for reducing the variability of diagnoses as well as improving clinical management and delivery of health care services worldwide by enhancing access, quality, efficiency, and cost-effectiveness. Furthermore, these platforms are in line with the government’s vision of ‘Digital India,’ and are required to address situations caused by pandemics such as Covid-19. In his lucid talk he quoted, Time alone will tell that Telemedicine is a “forward step in a backward direction” or to paraphrase Neil Armstrong “one small step for IT but one giant leap for Healthcare”.

Dr. S. Eswara Reddy emphasized that telemedicine is now the most innovative use of technology in health care. In a country like India, where last-mile connectivity to health care is a problem due to the country’s growing population. Telemedicine is the ability to interact with patients via video conferencing from a distance. This enables super specialty consultations to be provided at a fraction of the cost. In his talk, he conveyed a note that how “By swiping and tapping on a phone screen, a patient can quickly find in-network brick and mortar doctors by specialty, name, or facilities, such as an urgent care centre, pharmacy, or hospital”. He also discussed the proposed regulations on e-pharmacies.

Dr. Pramil Tiwari highlighted about role pharmacist in telemedicine. In his talk he stressed on need for the action plan on the telemedicine. Dr. Tiwari in his concluding talk said that it can be a game changer for people in the rural areas who do not have easy access to medical specialists located in cities.

## Telemedicine: opportunities and Challenges"- Role of Pharmacist

## Telemedicine: opportunities and Challenges"- Role of Pharmacist

Name	Designation	Organization	Capacity
Dr Montu M Patel	President	Pharmacy Council of India	Chief Guest
Dr. S. Eswara Reddy	Joint Drugs Controller (India)	CDSCO	Speaker
Dr. Kalpana Jaswal	Associate Director, Corporate Hospital	Sanofi India	Speaker
Dr. Pramili Tiwari	Prof and HOD, Pharmacy Practice	NIPER, Mohali	Speaker
Mr. Rajive Gulati	Advisor	SGT University	Moderator
Dr. Deependra Singh	Chairperson, Education Regulation	Pharmacy Council of India	Panelist
Dr. Sanjeev Sharma	Clinical Pharmacologist	General Manager,	Panelist
Prof. Vijay Sharma	Dean-DSW & HOD Pharmaceutics	SGT University	Panelist
Mr. Kalhan Bazaz	Editor-in -Chief	Indian Pharmacist	Panelist

Dr Rajiv Gulati, in his keynote address shared his views on the opportunities and challenges for telehealth within, and beyond, a pandemic. In his talk he discussed how, with careful planning, telemedicine has tremendous potential for the delivery of health services to regional and remote places.

Dr. Kalpana Jaswal, presented on the topic- "Pharmacist role in Telepharmacy". She discussed that a well-developed system, can change the practice of pharmacy that is beneficial to both the rural communities and the hospitals or retail pharmacies that deliver these services.

A panel discussion was also organized for the participants which was Moderated by Mr. Rajiv Gulati, Advisor, SGT University, Haryana very efficiently. Dr. Deependra Singh, Dr. Sanjeev Sharma, Prof Vijay Sharma, and Mr Kalhan Bazaz as panellist clarified various doubts and myth on telemedicine and discussed the future of telemedicine in India and globally.

Prof Raj K Shirumalla, Chairman Scientific Services presented the report on online poster presentation, he informed that more than 130 posters under four categories were presented and evaluated by the learned Poster Evaluators. Chief Guest and other dignitaries released the Book of Abstracts during the inaugural session. In the end the winners of the all the 4 categories of e-poster presentation competition were announced and were felicitated by the jury and faculty members of SGT COP.

In the end, Dr Sonal Setya thanked the guests and the entire team of SGT College of Pharmacy, including Management, Faculty members, Staff members and student volunteers for making the event successful. The conference concluded with the keynote "Knowledge is like a river. Its nature is to constantly flow". When values and knowledge become one, there can be no more powerful instrument for the welfare of humankind. The event was attended by more than 500 delegates from over 20 pharmacy institutions having more than 20 resource persons from all across the country. The event was widely covered in the social and print media and is appreciated from all the corners.

Lists of winners is as follows:

### • Category 01: Telemedicine:

- **FIRST:** Shivom, Subhajit Chakraborty, Chaahat Jain, Jiya Singh, Gulshan Rathore from NIMS Institute of pharmacy, NIMS University, Rajasthan, Jaipur.
- **SECOND:** Ishita Kakkar, Diksha from SGT University, Gurugram.
- **THIRD:** Priyansha Bhatia, Raj K Shirumulla from SGT University, Gurugram.

### • Category 02: Pharmacy Practice:

- **FIRST:** Janvi Khanna, Siddharth, Jasmine Chaudhary, Sudhir Mehta, Akash Jain from M. M. College of Pharmacy, MMIMSR, MM (DU), Mullana, Ambala.
- **SECOND:** Dakshesh Goel, Sonal Setya from SGT University, Gurugram
- **THIRD:** Sorab Kumar, Sanjay Sharma, Deepak Joshi from SGT University, Gurugram

### • Category 03: Original Research:

- **FIRST:** Meraj Alam, Showkat R. Mir, Saima Amin from School of Pharmaceutical Education and Research, Jamia Hamdard.
- **SECOND:** Durgeshwari, Pramili Tiwari from NIPER, S.A.S. Nagar.
- **THIRD:** Paras Berwal, Suman Rohilla, Nancy, Sachin Joshi, Vaibhav Walia from SGT University, Gurugram.

### • Category 04: Scientific Review Posters:

- **FIRST:** Sayee Sapre & Joydev K. Laha from NIPER.
- **SECOND:** Poonam Jakhar, Meenakshi K. Chauhan, Gaurav K Jain from DIPSRU
- **THIRD:** Aakriti Patel, Hema Chaudhary from K. R. Mangalam University, Sohna. Priyanka Kumari, Raj K Shirumalla from SGT University, Gurugram.

## International Conference on “Advancements in Pharmacy and Life Sciences” (IC-APLS) organized by RJPLS

An International Conference on “Advancements in Pharmacy and Life Sciences” has been organized by Research Journal of Pharmacy and Life Sciences (RJPLS) on 19 March 2023 at Berhampur, Odisha. About 350 members from different institutions and industry across the country were registered and participated. Khallikote Unitary University Vice-Chancellor Prof. Prafulla Kumar Mohanty was the chief guest for the conference while Director, ICT Mumbai- IOC Odisha Campus Prof. P. R. Vavia, Director, RCPHS, Berhampur, Odisha Prof. P.N. Murthy, former Professor of Pharmacy, Annamalai University, Tamil Nadu G.P. Mohanta, Chairman, OSCPHS, Berhampur Dr. Arun Kumar Panda, Interventional Cardiologist and Electrophysiologist, Indus Hospital, Visakhapatnam, Andhra Pradesh Dr. Anil Kumar Mahapatra joined as Guests of Honour. The conference was chaired by Convener cum Editor in Chief, RJPLS Dr. Anjan Kumar Mahapatra; Organizing Secretary cum Editorial Manager Dr. Ghanshyam Panigrahi and Coordinator cum Executive Editor Dr. Prasanta Kumar Choudhury carried out the proceedings of the inaugural session. A scientific souvenir was being published and released in the inaugural session to commemorate the occasion. Dr. Aswini Kumar Mahapatra offered the vote of thanks for the inaugural session.

During the session the RJPLS conferred Life time achievement award to Prof. P. N. Murthy, Best

Academician Award to Prof. G.P. Mohanta and Pinnacle Award to Prof. Arun Kumar Panda.

In the valedictory session Berhampur MLA Shri Bikram Kumar Panda was the chief guest. The winners of poster presentation session were awarded and mementos of recognition were also conferred to the disguised dignitaries. In the plenary session lectures were delivered by Prof. Pradeep R. Vavia - Director -ICT, Mumbai-IOC- Odisha Campus, Dr. Pradeep Kumar Prabhakar, Senior Research Scientist, University of Georgia, USA, Dr. S. Bag, Newtonian Fellow and Staff Scientist, University of Central Lancashire- UK, Dr. Anil Kumar Mahapatra, Interventional Cardiologist and Electrophysiologist, Indus Hospital, Visakhapatnam, Mr. Dhananjaya Panigrahi, Associate Director, Dr. Reddy's Lab., Hyderabad and Mr. Manoj Kumar Swain, Founder of Society for Children (SOCH). The convener of IC-APLS, Prof. A.K. Mahapatra, delivered welcome address and presented a brief description about the conference. Prof. G. Panigrahi, the Organizing Secretary, gave brief report on IC-APLS and RJPLS with special emphasis on the registration details. Prof. P. K. Choudhury delivered about the theme of the conference. A Cultural Program was Organized by Mrs. Rashimita Kumari Dalai with assistance of Mr. Ajit Nahak and others. Vote of thanks for the IC-APLS was offered by Prof. Prasanta Kumar Choudhury.

# SOPs for Pharmaceutical Industry: Features and Facts

**Dr. Praveen Kumar Goyal, M.Pharm, Ph.D.,**

**Professor of Pharmacognosy,**

**Alwar Pharmacy College, M.I.A North Extension, Alwar, Rajasthan 301030**

## Special Article

1. Introduction: Standard Operating Procedures (SOPs) are an integral and important part of the routine operations in the pharmaceutical industry, and each department should have their own SOPs.<sup>1</sup> It is a set of step by step instructions prepared by an organization to carry out all activities under defined conditions. In other word it is a set of detailed instructions, written document which describes the regularly recurring operations relevant to the quality of the investigation.<sup>1, 2</sup>

Pharmaceutical Standard Operating Procedure (SOP) is a tested, verified, approved, and documented way of executing operations that form the pharmaceutical industry's basis. It provides step-by-step guidance for the personnel to perform a specific process. SOPs describe technical as well as fundamental operational program of an industry that would be managed under every department. It also indicates the purpose of the operation, the equipment and materials required, how to perform the set-up and operations required for the process, how to perform the maintenance and shutdown operations carried out by the worker, a description of safety issues, trouble-shooting and a list of spare parts and where to find them, illustrations, and checklists.<sup>2,3</sup>

2. Purpose: The main aim of SOPs is to achieve quality output, efficient working and uniform performance. SOPs help employees to carry out complex routine operations without error. It is against regulatory requirements to perform operations without properly developed, approved and controlled SOPs. The perfect way to ensure safe and efficient operations is to strictly follow Standard Operating Procedures. SOPs provide a framework for each department within the industry to follow when performing day to day activities and they can be utilize as a training tool for new employees.<sup>1,3</sup>

It also ensures that all employees are performing tasks in the uniform way, which is a required to get expected output from the process. When all workers perform their work constantly, it becomes possible to run controlled experiments to test the impact of changing various process parameters.<sup>4</sup>

3. Scope: This article will look at the definition of SOPs and their importance in the pharmaceutical industry. SOPs need to provide clear instruction to the end user on how to perform a task, and sufficient detail to allow the task to be executed in a consistent and uniform manner by all end users. Various processes are complex in nature and they required right balance between too little and too much detail. If there is too little detail this increases the potential for the end user to follow their own way of doing things. On the other hand, too much information and excessive detail increases the risks that the end user has difficulty understanding and following the steps on a daily basis, leading to errors and mistakes.<sup>2, 3</sup>

4. Benefits: SOPs provide continues improvement of standards of service, and provide evidence of commitment towards protecting patients. Additional advantages are:

- SOPs minimizes variation and promotes quality through consistent implementation of a process or procedure within the organization;
- SOPs help to provide quality and consistency of service;
- It minimizes opportunities for miscommunication;
- Help to ensure that good practice is achieved at all times;
- Provide an opportunity to fully utilize the expertise of all team members;
- It reduced work effort, along with improved comparability, credibility, and legal defensibility.
- Enable pharmacists to delegate;
- Help to avoid confusion over who does what (role clarification);
- Provide advice and guidance to part-time staff;
- They are useful tools for trained new employees in organization;
- Provide a contribution to the audit process.
- When writing or updating SOPS, remember these important points to avoid complexity.

## SOPs for Pharmaceutical Industry: Features and Facts

### 5. Preparation of SOPs: <sup>5, 6</sup>

SOPs should be prepared in a concise, clear, step-by-step, easy-to-read format. The information should be unambiguous and should not be complicate. The term "you" should not be used, but implied. The process should not be redundant, or overly lengthy. Make it as simple and short. Instructions should be provided clearly to minimize any doubt as to what is required. Also, use a flow chart to illustrate the process being described. In addition, follow the style guide used by industry, e.g., font size and margins. A generalized format is as follow:

**5.1 Title or Header of SOP:** A unique title shall be given to each SOP. The title shall be comprehensive in short. The title clearly identifies the activity or procedure, SOP identification (ID) number, effective date and/or next revision date, and the signatures and signature dates of those individuals who prepared, reviewed and approved the SOP.

**SOP Author & Reviewer:** SOPs should be prepared and reviewed by one or more individuals with appropriate training and experience with the process. Ensure that the author of the SOPs is the employee who performs the task and/or understands it well while at the same time avoids going into excessive detail. SOPs should be also systematically reviewed on a periodic basis, e.g. every 1-2 years, to ensure that the policies and procedures remain current and appropriate, or to determine whether the SOPs are even needed. The reviewer should ensure that the balance between too little and too much detail is assessed. The finalized SOPs should be approved as described in the organization's Quality Management Plan.

**5.2 Content of the SOP:** A Table of Contents may be needed for quick reference, especially if the SOP is long, for locating information and to denote changes or revisions made only to certain sections of an SOP.

**5.2.1 Objective and purpose:** Mention the intended purpose of the SOP in this section. Objective justifies the need of that SOP.

**5.2.2 Scope:** Indicate the application of the SOP in this part. It shall describe the extent of areas covered by the SOP.

**5.2.3 Responsibility:** Mention the responsibilities in brief, but with clarity on ownership of individuals / departments in this column.

**5.2.4 Distribution:** List of individuals/ departments to whom a controlled copy of the approved SOP shall be issued.

**5.2.5 Definition of Terms:** The new/ uncommon terms those are used in the SOP shall be defined in this section.

**5.2.6 Abbreviation:** Write full name of all Short forms used in SOP.

**5.2.7 Procedure Outline of the logical steps & step by step instructions to be carried out to complete the process and to fulfill the purpose of the SOP.**

- SOP text shall be written in simple and clear language in font style "Times New Roman", with a Font size '12' and space between lines shall be 1.5 lines.
- All SOP shall be written in the English language.
- Frequency of process should mentioned if applicable.
- Bold letters shall be used for heading and subheadings.
- Wherever required, give example or attachment for more clarification. Each step of the activities / operations shall be explained stepwise.

### 5.3 Footer Section:

Footer shall consist of 4 columns of Prepared by, Reviewed By & Approved By.

	Prepared By	Reviewed By	Approved by
Name			
Designation			
Sign & Date			

### How to improve quality of SOPs: <sup>2, 5, 6</sup>

**Maintain Simplicity:** Long, complex SOPs can be difficult to follow. Strive to keep your SOPs simple and easy to use while still ensuring all important steps are included.

**Photos/ Drawings/Flow Charts:** Prepare your SOPs easy to understand by including photos, drawings and flow charts. Humans prefer visuals to text, so it makes sense to use more visual information to explain complicated information. Include illustrations, diagrams, flowcharts or other visual aids that can help with understanding.

**Reduce the number of people involved in the tasks:** The more people you have involved in a task, the more chance there is for mistakes. By reducing the number of people involved in a task, you can greatly improve how quickly it can be done and ensure that it's done correctly.

**Test and verify SOP function:** Once the SOP is drafted, test it with those individuals who will be use it routinely. Have them follow the SOP from beginning to end to ensure the information is clear, that all the required steps are included and are in the correct sequence.

**Protect what you have simplified:** During the review process don't let people put in additional steps or put back in what you've taken out without adequate justification. Exercise caution when updating SOPs as the corrective action or preventative action (CAPA) for deviations.

## SOPs for Pharmaceutical Industry: Features and Facts

Review and revise, as needed: Once the SOP has been in use for several weeks, ask for responses from those with direct experience using it. Ensure that the SOP is clear, accomplishes its purpose and is easy to read and use. Revise based on the feedback you receive.

Keep your SOPs up to date: Prepare SOPs in line with current requirements is very important. Without periodic review of SOPs and regular updates, they can quickly become out-of-date. SOPs should be reviewed at least every two to three years. Some SOPs may need to be reviewed on a more frequent basis, especially if the process they explain is updated or changes.

Conclusion: SOPs play a great role in communication for all levels of the organization. As SOP preparation is a critical step so each pharmaceutical industry must have experts that can create accurate process-driven SOPs in line with relevant regulatory regulations which ensures safety, efficacy and quality of the product. However currently, pharma industry facing challenges in managing and controlling the SOP process. A good system forces employee to think through processes and examine how procedure might influence product, personnel, production, and equipment. This attitude encourages employees to think about how process change may affect other functional areas.

## IPGA's CEC Meeting held at Araku Valley, Vizag, AP.

# IPGA CEC Meeting at Vizag AP

## IPGA CEC Meeting at Araku Valley, Vizag, AP

Second Meeting of Central Executive Committee of Indian Pharmacy Graduates' Association was held at Araku Valley, Visakhapatnam, Andhra Pradesh, hosted by IPGA Andhra Pradesh State Branch and South Zone IPGA. This is first meeting held outside Delhi, as usually the CEC Meetings were conducted either in Delhi or in IPC venues to mention out of Delhi. Dr. Vijay Reddy Annappareddy, President, IPGA AP has made all the arrangements for the stay, travel, meeting and sightseeing. An extravagant hospitality was executed by the astonishing leadership of Sh. Annappareddy. The executive members from Central, North, East and South zones were present in the meeting. Dr. Atul Kumar Nasa, President has chaired the meeting along with Dr. Arun Garg, General Secretary and Dr. Vijay Bhalla, Treasurer of IPGA.

Agenda of the meeting were very detailed, future-focused, quality-oriented, professional and with social interest. The CEC owed to contribute good quality education and skill development for the future Pharmacy Graduates and knowledge updating and upgradation of existing Pharmacy Graduates including all IPGA Members. Overall professional growth was the ambition and for the future, an activity calendar is also planned.

The meeting was very informative and fruitful and the hospitality part was quite amazing and the south Indian cuisine was tasted by all members with a lot of excitement and exotic sightseeing places added the value for the tour.

Pre meeting programs at Andhra University seminar Hall and the EC meeting of IPGA AP in the presence of Central Executive Members Team were memorable. Short tour to Araku Valley, Borah Caves, Coffee Museum, Herbal Museum and other tourist interests of Araku Valley are unforgettable. The traditional dinner with cultural activities are nostalgic to all participants.

## IPGA CEC Meeting at Araku Valley, Vizag, AP

# Contemporary Challenges & Opportunities in Pharmacovigilance & Clinical Research

## IPGA Sponsored Conference at Anand CoP, Agra

Anand College of Pharmacy, SGI organized an IPGA Sponsored National Conference on “Contemporary Challenges & Opportunities in Pharmacovigilance & Clinical Research” on 15th of April, 2023.

Prof. (Dr.) Kashmira J. Gohil, Director of Anand College of Pharmacy and convener opened the conference, welcoming all guests and delegates and explaining the context of organizing this conference with the importance of Pharmacovigilance, Clinical research, and the need for adverse drug reporting, urging all the participants to deliberate and interact with experts and take the maximum benefits of the conference. Prof. (Dr.) Gyanendra Kr Sharma (CAC) and the organizing secretary of the conference discussed the importance of the conference. The chief guest, Dr. Deependra Singh, Chairman of the Educational Regulation Committee, PCI addressed the gathering on the need to conduct this conference and upcoming education regulations of the pharmacy council of India. The Guest of Honour Prof (Dr.) Arun Garg, Hon'ble Vice-Chancellor, MVN University, Palwal, Haryana addressed the delegates by mentioning the importance of the Pharmacovigilance system and announced the sponsorship of Rs. 25,000/- from IPGA for the conference.

The special guest Dr. A. Manikandan (IAS, CDO, Agra) inspired and enlightened the students on career opportunities in the government sector.

Prof. V. K. Sharma, Executive Vice President of Sharda Group of Institutions congratulated the entire Anand College of Pharmacy team for the event and shared his experience on the growth & challenges of the pharma sector in India. In the inaugural session, a conference souvenir and abstract book was released by all dignitaries on the stage. The souvenir and abstract book was appreciated by all. The expert panel of speakers consisted of Dr. Vivekanandan Kalaiselvan, (Principal Scientific Officer, IPC, Ghaziabad), Dr. Pooja Sharma (Founder, CEO, APAR Health, Gurugram) delivered lectures in technical session to discuss on contemporary challenges and opportunities in Pharmacovigilance and Clinical research. More than 430 delegates joined the conference including the faculties, research scholars, and students on and outside of the campus. More than 60 delegates also participated in the poster presentation competition. The conference was successfully concluded on a high note, with 'chai pe charcha' where various queries from the audience of students and staff were answered by the panel members of dignitaries. The hon. chairman sh. P. K. Gupta & vice chairman of SGI, sh. Y. K. Gupta congratulated & appreciated the efforts of all the team.

# Challenges and Prospects of Pharma Industry & Research – A Report

## IQAC, Palamuru University & Indian Pharmacy Graduates' Association, Telangana State Branch

IQAC, Palamuru University, Mahbubnagar & Indian Pharmacy Graduates' Association, Telangana State Branch Jointly Organised Faculty Development Programme on "Challenges and Prospects of Pharma Industry & Research" from 15th April to 21st, April 2023. Twenty-Eight eminent experts from various parts of India and abroad were invited to share their wisdom and vast experience on the topic. Inaugural welcome Address given by Dr.V.Prabhakar Reddy, Head, University College of Pharmaceutical Sciences (UCPS), PU, Address by Chairperson by Dr. P. Sujatha, Principal, UCPS, PU, Address by Chairperson, Sri G. Koteswar Rao, President-IPGA, TS, Address by Guest of Honor by Prof. Srinu Naik Sapavatu, University College of Technology, Osmania University, Hyderabad, & Chairman, BoS, UCPS, PU, Address by Convener by Dr. D. Madhusudan Reddy, Director, IQAC, PU, Address by Guest of Honor by Prof. K.Girija Mangathayaru, Registrar, PU, Address by Chief Guest by Prof. L. B. Laxmikanth Rathod, Vice Chancellor, PU. The session one speaker was Dr. Ranjit Barshikar, CEO-QbD International QbD/cGMP Consulting, United Nations Adviser, Geneva delivered a talk on Pharma 4.0-Artificial Intelligence Application in Smart Manufacturing and Quality. The session two speaker was Dr. Y. Naveen Kumar, Senior Scientific Officer, Drug Control Administration, former Joint Director (Enforcement), former registrar, Telangana State Pharmacy Council, Hyderabad delivered a talk on Advances in Regulatory, Testing, Enrollment in Pharma Profession. The session three speaker was Dr. Lingaiah Nagarapu, Adjunct Professor, South Campus, Telangana University, former Sr. Principal Scientist from CSIR-IICT, Hyderabad & Professor for AcSIR, New Delhi spoken on Indian Pharma Vision-Innovations and Their Impacts. The session four speaker was Dr. Srinivas Maddi, Chief Executive Officer, Acubiosys Pvt Ltd. Hyderabad spoken on Pharmaceutical Candidate Optimization of Kinase Inhibitor for the Treatment of Cancer. The session five speaker was Prof. Murali Dhanasekaran, Program Director and Professor, Department of Pharmacology, Harrison College of Pharmacy, Auburn University, Auburn, AL, USA delivered a talk on Natural Bioactives Counteracts Hyperglycemia and Hypoarousal induced Cognitive impairment.

The session six speaker was Dr.A.Muralidhar Rao, Dean of Studies, St.Mary's College of Pharmacy, Secundrabad spoken on Beyond Serendipity: The Science of Screening Methods in Drug Discovery. The session seventh speaker was Prof. A. Sreedevi, Head I/c, Department of Physical Sciences and Controller of Examination, Sri Padmavathi Mahila Viswavidyalayam, Tirupati and spoken on New Ionisation Techniques for MASS Spectrometry and their Industrial Applications. The session eight speaker was Dr. Dalapathi G, Assistant Professor, Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR), DPSR University, New Delhi and delivered a talk on Exosome Nanovesies as a Novel Carriers for Drug Delivery and Biomedical Appliactions. The ninth session speaker was Prof.Ciddi Veeresham, Research Director, Vaagdevi Group of Institutions, Warangal and spoken on Drug Discovery using Medicinal Plants. The tenth speaker was Dr.Abdulbari Mohammed, R&D Head, DEEF Pharmaceutical Industries Company, Al Quassim, Kingdom of Saudi Arabia and spoken on Challenges in Pharmaceutical Development. The eleventh speaker was Prof. Krishna Mohan Chinnala, Dean-School of Pharmacy, Nalla Narashimha Reddy Group of Institutions, Hyderabad and delivered a talk on Pharmacogenomics: The Promise of Personalized Medicine. The twelfth session speaker was Prof.Anil Pethe, Dean, Datta Meghe Institute of Higher Education and Research, Wardha, Maharastra and spoken on Recent Healthcare and Pharmaceutical Technologies. The thirteenth session speaker was Dr. Sreekanth Nama, CEO&Managing Director, Rescisco Globa Regulatory Consultants, Hyderabad and spoken on Pharma Outlook 2030-From Evolution to Revolution. The fourteenth session speaker was Dr. A. Manikandan, IAS, Chief Development Officer, Agra, Uttar Pradesh and spoken on Importance of OOPE in Availability and Accessibility of Medicines in India. The fifteenth session speaker was Dr.Narender Ahuja Vivek, State Drug Controller (Retired), Food and Drugs Administration, Haryana and gave a talk on Drug Regulations in India. The sixteenth session speaker was Prof. Vidyavathi, Institute of Pharmaceutical Technology, Sri Padmavati Mahila Viswavidyalayam, Tirupati and spoken on -New

## SOPs for Pharmaceutical Industry: Features and Facts

Dimensions in Drug Discovery using Biotransformation Studies. The seventeenth speaker was Sri B.Srinivas Reddy, Co-Founder, Pantheon Healthcare Consulting, Hyderabad and spoken on "Gap: Expectations Vs Expertise" Health Systems-Pharmacy Profession. The eighteenth speaker was Sri K.Sreekanth, Founder of GradClinic, Bangalore delivered a talk on Clinical Data Specialist Program for Pharma Faculty. The nineteenth day speaker was Dr.M.Raghavender Sharma, Department of Statistics, University College of Science, Osmania University Hyderabad delivered a talk on Data Analysis using Statistical Techniques.

The twentieth speaker was Dr. Kiran G, Professor, School of Pharmacy, Anurag University, Hyderabad given a talk on Open Source Chemoinformatics Tools for In Silico Screening in Drug Discovery. The twenty first speaker was Sri Rajinder Kumar Harna, Retired Assistant Drug Controller, FDA Haryana and delivered a talk on Medical Devices Regulations in India. The twenty second speaker was Dr.P.V.Appaji, Retired Director General, Pharmaceutical Export Promotion Council of India, Retired National Pharmaceutical Pricing authority, Government of India and given a talk on Pharma Policies and Price Control Regulations in India. The twenty third speaker was Dr. Y. Harish Kumar Reddy, Senior Manager, GC Lab, Indian Immunologicals Ltd, Hyderabad and given a talk on An over view of Bioprocess technology of typhoid conjugate vaccines-An Industrial perspective. The twenty fourth speaker was Dr. Debarati Paul, Associate Professor, Amity University, Noida and given a talk on Understanding the Skill development programme for undergraduates via Life sciences sector skill development council (LSSSDC). The twenty fifth speaker was Dr. Y.V.R.S. Sundara Rao, Senior Healthcare, HR professional, Hyderabad and given a talk on "Train the trainer - A HR Perspective." The twenty sixth speaker was Sri G. Sreenivas, Assistant Director, Drugs control Administration, Medchal Zone, Hyderabad and delivered a talk on Salient Features on The Drugs and Magic Remedies (Objectionable Advertisement) Act, 1954. The twenty seventh speaker was Dr. V. Prabhakar Reddy, Head, University College of Pharmaceutical Sciences, Palamuru University and spoken on CDSCO and FDA Inspections. The twenty eighth speaker was Dr. D. Madhusudan Reddy, Associate Professor, Dept. of Microbiology, Director, IQAC & OSD to VC, Palamuru University, Mahabubnagar spoken on Antibiotic Resistance: A Global Concern to Human Health. Prof. Yadagiri Swamy, Special Officer, UGC Affairs, Prof. P. Pavan Kumar, Director, University Research Cell, Dr. K. Raj Kumar, Controller of Examinations, PU, Dr. M. Noorjahan, Joint Director, PG and Professional, Dr. N. Chanrakiran, Joint Director, UG Section were the advisors of the FDP. Sri G. Koteswar

Rao, President-IPGA, TS, Dr. G. Vijay Kumar, Treasurer, IPGA, TS, Dr. P. Sujatha, Principal, UCPS, PU, Dr. N. Kishore, Principal, UPGC, PU were chairpersons for the FDP. Dr. D. Madhusudan Reddy, Director, IQAC, PU acted as Convenor, Dr. V. Prabhakar Reddy, Secretary, IPGA, TS and Organizing Secretary acted as the moderator, who engaged the audience and the key speakers in 28 sessions through 7 Days of the online FDP.

The FDP received a lot of positive feedback from faculty members and research scholars from many universities of India and abroad. There were 100 enthusiastic participants in total, who took part in the 7-day online FDP. Each session was of 90 minutes and included open questions, answer session. Zoom was the platform used and the session links, feedback links were shared every morning for the day. The registered participants were engaged in a special WhatsApp group and by email. In the valedictory session, organising secretary given FDP report, Sri G. Koteswar Rao Explained FDP talks and its importance to teachers, Convener explained about how FDP conducted, and finally Prof. L. B. Laxmikanth Rathod, Vice Chancellor, PU conveyed thanks to all the speakers and organizers for successful completion of FDP.
